

“Broken Clocks” – SZA

Run fast from my day job

Runnin' fast from the way it was

Jump quick to a pay check

Runnin' back to the strip club

I'm never going back, never going back

No you can't make me

Never going back, never going back

They never take me

I've paid enough of petty dues

I've had enough of shitty news

I've had a thing for dirty shoes since I was 10

Love dirty men alike

Ooh, etter day than yesterday (keep cuttin' up)

Ooh, I just take it day by day

Ooh oh oh, never hearing what they say

Ooh ooh, I just do it my way

All I got is these broken clocks

I ain't got no time

Just burning daylight

Still love and it's still love, and it's still love

It's still love, still love, still lovin'

It's still love but it's still love

Nothin' but love for you

Nothin' but love

Nothin' but love

All that I've got, pieces and pages

Talking a lot, sorry I'm faded

Think I forgot, you love me

You love me

You love me

Got a shift at 10 AM

Gotta dip at 10 PM

Gotta get that cash

Won't get past the lunch break

I ain't had a smoke break

In about two days don't break

Been about three years since I dated you

Why you still talking 'bout me like we together?

I moved on for the better

You moved on to whoever

I was down for whatever and then some

You gon' make me late to work again

Ooh, better day than yesterday

Ooh, I just take it day by day

Ooh oh oh, never hearing what they say

Ooh ooh, I just do it my way

All I got is these broken clocks

I ain't got no time

Just burning daylight

Still love and it's still love, and it's still love

It's still love, still love, still love

It's still love but it's still love

Nothin' but love for you

Nothin' but love

Nothin' but love

I don't eat, can't sleep past 9 AM

Heartbeat make me feel young again

Can't beat 'em, just join the party

I don't wanna, don't need nobody

All that I've got, pieces and pages

Talking a lot, sorry I'm faded

Think I've forgot, you love me

“Same Drugs” – Chance the Rapper

[Intro]

We don't do the same drugs no more

We don't do the, we don't do the same drugs,
do the same drugs no more

'Cause she don't do the same drugs no more

We don't do the, we don't do the same drugs,
do the same drugs no more

When did you change?

Wendy, you've aged

I thought you'd never grow up

I thought you'd never

Window closed, Wendy got old

I was too late, I was too late

A shadow of what I once was

'Cause we don't do the same drugs no more

We don't do the, we don't do the same drugs,
do the same drugs no more

She don't laugh the same way no more

We don't do the, we don't do the same drugs,
do the same drugs no more

Where did you go?

Why would you stay?

You must have lost your marbles

You always were so forgetful

In a hurry, don't wait up

I was too late, I was too late

A shadow of what I once was

'Cause we don't, we don't

do what we say we're gonna

You were always perfect,

and I was only practice

Don't you miss the days, stranger?

Don't you miss the days?

Don't you miss the danger?

We don't do the same drugs no more

We don't do the, we don't do the same drugs,
do the same drugs no more

We don't do the same drugs no more

We don't do the, we don't do the same drugs,
do the same drugs no more

We don't do the, we don't do the same drugs

Don't forget the happy thoughts
All you need is happy thoughts
The past tense, past bed time
Way back then when everything we read was real
And everything we said rhymed
Wide eyed kids being kids
Why did you stop?
What did you do to your hair?
Where did you go to end up right back here?
When did you start to forget how to fly?
(It's so natural
Just like Juicy Fruit
Works like a magic trick
Please give me half of that
We don't, we don't, we don't)
Don't you color out
Don't you bleed on out, oh

Stay in the line, stay in the line
Dandelion
(Do the same drugs no more
We don't do the, we don't do the same drugs,
do the same drugs no more
We don't, we don't, we don't...)
Don't you color out
Don't you bleed on out, oh
Stay in the line, stay in the line
Dandelion
